

ABSTRACT

The present invention provides amino acid sequences obtained from the active principles in Chinese traditional medicine musk, such as SDSECPLLCEVWILK, SDSECPLLPRQGTGSLH, IDCECPLLEAKCPSFPLWPQGREEERQ, SDSECPLLLNGTNTSSRFESINCVFLSTEEGC and their acetic salts. The preparation of the amino acid sequences and their use as anti-inflammatory medicines or immunity inhibitors are also disclosed by this invention.
